

We're Working with Retailers and Manufacturers Nationwide to Get Your Family What They Need

During these uncertain times, we've heard your concerns and want to reassure you that we're working around the clock to meet your needs. Now is the time to take comfort in one another and in the fact that we are working tirelessly to provide you with the comfort of Quilted Northern®. Here's how...

We've reduced our shipping time to retailers by up to **3 DAYS**

Our mills are producing **1.5 MILLION** more rolls* per day

*All Georgia-Pacific tissue mills compared to before COVID-19

To meet demand, our **OUR MILLS** across the nation are operating **24/7**

And Remember, We're in this Together.

When we overbuy a product, some families are left without their basic needs. We assure you there will be enough to go around, so please take only what you need. If you're not sure how much to buy, below are our recommendations.

Here's the math on what you'll need.

For two weeks, a 2-person household will need about 9 Double Rolls or 5 Mega Rolls.*

=

5 Mega Rolls

(Or 9 Quilted Northern® Double Rolls)

*Calculated using a combination of U.S. Census data, IRI panel data and our own calculations
